Dennis, if I had taken this class years ago, I am positive that neither of my last two relationships would have fallen apart and ended. ~~I would~~ I am eager to have nothing but positive relationships from now on, enthusiastic students who can't wait to see me every day and to leave work full of happiness. I am looking forward to loving deeply and never being hurt again. My last 10 months have been full of shallow love to avoid hurt. My list is disintegrating.

Yay for you!
