With sincere thanks,

I am 64 years of age and have 600 binders along with 6 aprons for reinforcers. There have been professors and teachers along with so many texts ~~that~~ ^{where} I have attempted to make sense out of what I taken in. This workshop has helped me understand myself and the teaching/learning process with greater ~~understanding~~ clarity than ever before. While I am in the closing chapters of my life I will live in a way to honor you and the High Trust Philosophy.

Denny - thank you.

When you want to break into the Clark County School District - just give me a call.

With sincere thanks,

Jodi Salinas

I want to thank you for doing me the favor
of teaching me how to love deeply & never be hurt.
My husband & I discussed this Sat. night after
you went over it in class and now we can ^{let go}
of all of our beating up ourselves as we tried
to figure out WHY our son has not spoken to us
or seen us in over 1 year and a half. Thank you.
I appreciate your energy, your emotions, your
stories & your skits! (That a K not an h!)

Thanks for helping me
figure out my mother's problems.
I realized that I wasn't the one
who did anything wrong, it was her
masking her pain.
