With sincere thanks,

It was an incredible experience. I learned not only how to improve my classroom, but I learned what I had been doing well. It was great meeting such a positive person (the most positive person

I ever met) and a person who can influence a room of teachers to be positive and incredible human beings.

Attending this workshop was a yummy treat 😊

Deny,

I wish I had had this workshop 10 years ago, because my eldest daughter ^{now 30!} suffers from low self-esteem due to our dysfunctional family (divorce) and especially her dad who only loved her conditionally. I told her about the workshop, and want to bring her to the next one in November! (I will pay!!)
