Thanks Denny.

What a pleasure it was to spend the weekend thinking!

Hi Denny, Randi Hitchcock here from your recent Colorado Springs workshop. I hope your flight home and ride on the beach was just glorious!

I just wanted to THANK you for being a positive movie clip in my head! haha I tried many things at school on Monday and of course, they worked, the kids were thinking more **and I felt 10x better!** Significantly less stress at school and at home! Many of us at Ute Pass are using the techniques and loving it! We were not able to save one student though. He was recently expelled (only a 2nd grader) and I believe High Trust could have saved him. His teacher could have really found more success with him by using the method. :(

Thanks again and I look forward to coming to level 2!
