This class is better than all my schooling combined. This class alone saved my life + teaching career. 95% of what I use in my classroom comes from this class alone. If you want to be a healthy and happy teacher/person, you will take this class. ☺

With sincere thanks,

will take this class. ☺

Jenny, you amazing teacher -

I have used so many skills from High Trust to enrich my life and the lives of my family members. I also get to influence students at the local elementary school when I substitute ~ and they POP - Blossoms POP!

When I think of the High Trust workshop I laugh and get goose bumps ~ feeling so lucky to have had Mary Stevens ^{influence me} tell me to attend ~~about~~ High Trust so many years ago.

Thank you for being such a gift!

Truly,
Mandy Morrison
