"High trust relationship" person
that helped me realize how to
achieve. He was a school psychologist
in California for his entire ~~entire~~ life.
towards the end of his life, he began
to teach me many of the concepts
you presented (in his own way). ~~He~~

He encouraged me to look toward the
positive and throw the list away.

I loved this workshop! See you

This is such a positive for personal growth, growth as a parent, spouse, and teacher. What an amazing philosophy.

If we could truly see this implemented in all levels of the American culture - our country would rise up and never be the same again!! I can hardly wait to share this with others.

Thanks for all you do!
