Denny,

I was very honored to spend some more time with you last weekend!

I LOVE that my parent teacher conferences are so fun and not draining anymore! My parents are happy or are taken aback and then they realize how amazing their child is.

I love you and your philosophy and I pray that my husband may be introduced before my daughter grows up. He does LOVE the differences in me and is beginning already to see that positive is better!

Alice

Hi Denny -

My staff are so glad they attended last weekend's workshop at Colony Middle.

Today's parent/teacher conferences took on a whole new look and feel.

A teacher just floated out of school because her conversations were so positive.

I'm looking forward to how these skills are going to transform not only the classrooms but the playground and bus routes, too.

Smiles,

Scott A. Nelson, Principal
Iditarod Elementary School
