My husband and I saw a  
counselor last year who promoted  
the list by saying we should take  
turns doing activities we don't personally  
enjoy, but that the other does, debits/  
credits. I knew that was BS!

and you confirmed it.

The presentation was consistently focused on meeting the needs of kids. To do that we have to meet our own needs.

Meeting our own needs includes recognition that we all come from our own personal and spiritual places.
