I first took your High Trust about 18 years ago and have been back for more 3 or 4 times. High Trust has influenced me greatly and in many ways. Ever Being here this week, I have learned even more and at the same time realized how many concepts from High Trust have become a daily part of my life -

- teach how rather than punish
- cannot teach a negative - I see signs every day that are ridiculous DO NOT ENTER (means keep out) etc....
- Sequence theory - how to clean up and on and on. disrespectful interactions.

Mostly I want to tell you, Denny, how your classes - your teaching - influenced me and I learned skills which I have used to be a better, evolving, and amazing ~~parent~~ parent, spouse, and employee, supervisor and entrepreneur.

Hallelujah! My world is a better one with you and High Trust in it, Denny. ☺

I was searching for what I perceived to be the other half of the equation. The equation to solve the problems our students have. I found half through experience and perception. I knew they needed love unconditionally and someone to really care. High trust is the other half of the equation. I intend to incorporate high trust to the best of my ability. If you are also searching for the answer like I was, Dennis has it. High trust

about victims. The Application:
Blessings,

Blessings,

Dennis M. McLoughlin

On after school duty two boys were nose to nose
ready to fight. I stepped up (safely) from a distance. One boy looked
at me w/ his eyes only (victim) star into I learned in class →

I then gave each boy permission to take a step back. Bam... each & took a step back - No fight. We went to Solution → (Big kids - other teachers avoided) I was safe.

During class you discussed the ~~victim~~ victim will look at you first. (

Every day I use this class - info w/ ~~ea~~ either my job and marriage + All relationships. Thank you! 😊 Safe Travels!
