I have stopped searching for God because people ruin it. I feel like the way you serve it makes me want to look at it again. My mother was an amazing educator and she just did these things, she spoke a language I haven't heard spoken until your class. It's like hearing a person speak from your home planet. I am excited to ~~inter~~ practice these tools & skills. See you next year

Allison

I texted Tara this: Oh my gosh, Denny's class is one of the major pivotal experiences of my life. I finally found someone who speaks my language fluently and eloquently with fun. I only wish my Mom could have met him before she passed, THANK YOU

Denny,

I am so grateful (see my favorite concepts) for the time that you have spent on this workshop. When I took it for the first time I was so overwhelmed that I was unable to appreciate its applicability. Now, my second time through, I feel confident enough to utilize ↓

it to full effect. I truly will be reconnecting with you for support in the meantime. I know that I will need the reinforcement, (especially when it comes to using High Trust in my marriage) :)
