

Incredible Teachers...here they are! Smart, caring, talented, creative, innovative, healthy,...and totally alive! YES, you are THE GREAT GIFT!

Dennis,

Thank you for a great seminar. I have learned alot from this weekend. Your stories were true, honest, heartfelt and inspirational. Your stories hit home very hard for me. My family is very, very dysfunctional and chaotic. As of late I have felt defeated. However, these last few days I feel a new energy. I feel revived. You've made me laugh, you've made me think and ponder. Most of all you made me smile. For that I am grateful. Your courage, your bravery, your creativity and charisma are so infectious. God has certainly blessed you with a wonderful gift. I hope you never loos sight of your vision. I hope you continue to touch people in a way no one else can. Take care and God Bless! B.H.
